Local Board Advocacy

Building Governance Capacity

- Local board weekly workshops
- Local board business meetings
- Attending governing body workshops
- Local board members professional development
- In house chairperson training
- Finance training
- Standing orders training
- Engaging with Māori training

Community Engagement

Outcome: Communities Plan for their own futures

Our communities know what they want for their futures. Local people will plan for their own areas and determine what is important.

Possible initiatives include:

- Structure Plan for Kumeu/Huapai
- Toolkit for communities to create a vision for their area
- Main street upgrades for Kumeu
- Enhance gateways to towns, villages and entrances to Rodney

Rodney draft Local Board Plan 2014
