12 May 2017

“Vision is perhaps our greatest strength... it has kept us alive to the power and continuity of thought through the centuries, it makes us peer into the future and lends shape to the unknown.”

Sir Li Ka-Shing

Overarching strategic focus 2017-2019

Leadership and delivery of change on the big issues confronting NZ's communities

A focus on delivering best performance and value for communities

Building greater community engagement and setting a stronger platform for local democracy via a focus on "localism"
